Council of Chiefs is composed entirely of individuals who are neither management nor employees of the First Nation. Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external accountants. Council is also responsible for recommending the appointment of the First Nation's external accountants.

MNP S.E.N.C.R.L, s.r.l. is appointed by Council on behalf of the members to review the schedule of remuneration and expenses and report directly to them; their report follows. The external accountants have full and free access to, and meet periodically and separately with, both Council and management to discuss their review engagement results.
