Story Line/Notes: **Part 1 of the PSU Search and Rescue series deals with a person with dementia (PLWD) walking in a residential area inappropriately dressed for the weather. The Peacekeepers are notified, and the search and rescue effort start immediately. The Peacekeeper gathers all of the information, and the search begins.**
Part 2 continues where Part 1 ended; a large search is conducted behind Kahnawà:ke Survival School (old campus). A command center is created. A systematic planned and coordinated search and rescue is conducted using maps, technology, volunteers, and Peacekeepers.

Location(s): **Kahnawà:ke Peacekeeper station, a private residence on Sports Complex Road, and the old KSS campus.**
