Agenda

Request for Decision/Mohawk Council Executive Directive: Commencement of Additions to Reserve Lands (ATR) Process for Lands Adjacent to the Eastern Portion of Kahnawà:ke

Presence of Debbie Morris, David Lahache, Dennis Diabo. In regard to parcels of land in the amount of 204 hectares to be added to reserve lands, MCK petitions Government of Canada to prioritize the process to allow for these lands to be officially designated as 'reserve lands' as soon as possible.

Request for Decision/Mohawk Council Executive Directive: Kahnawà:ke Education Center/First Nations Education Council 10meg Fibre Project

Presence of Tim Lahache, Louie John Diabo (Kahnawà:ke Education Center), Tom Scott. The MCK asked to support the First Nations Education Council's (FNEC) plan to provide fibre optic improvements within the community. The overall budget for the project has been secured by the FNEC from the First Nations Infrastructure Fund. As per the terms of the agreement, The Kahnawà:ke Education Center will provide \$15,000 to the project, which is expected to be completed on or before 31 Enniskó:wa/March. MCK gave its unanimous support.
