#### External Government Relations:

- Met with The Prefet of the MRC to begin establishing lines of communication for this term and recommitting Kahnawake’s interest in keeping lines of communication open via the technical table established in the 2021/2024 term. Follow up from this meeting would be organizing a meeting with all Mayors and their Councils to educate them on Consultation matters and to put them on notice that this term the MCK is going to be doing lots of work on the SSSL and they need to be educated on the history of it.
- Met with Minister Lafreniere (Quebec) to discuss the outstanding 211 acres from the Highway 30 construction, the outstanding MOU and wording issues from Quebec and the current Northvolt litigation and lack of consultation from Quebec.
- Met with Minister Benoit Charette (Quebec Environment) in person to establish a relationship as out of all Quebec Ministries Environment is the worst. We can find common ground and work together for a better environment. Commitment to more meetings.
- Lastly for EGR was having a first call with the Jay Treaty Border Alliance about upcoming interim measures Minister Marc Miller will be instituting for US side Tribal members to be able to cross into Canada.

## Portfolio Updates for the Month:

### September 2024

Sept, 3,4,5 I attended the AFNQL Special Chiefs Assembly and 2<sup>nd</sup> Forum on First Nations Language Right in St. Sauveur.

Sept.18- First community Meeting as the new council. This was a very good meeting and the decision to make the meetings monthly in the new year was decided by the community members present.

Sept.26- First site visit at the MPB

Sept.26 & 28- Participated at the kiosks for the Priority Setting Survey/Community Engagement.

Sept.30- I volunteered at the Orange Shirt Day event at Orville Standup park. It was a beautiful event and was so happy to be able to be there. Topping Out at the MPB- it was a great milestone for the project. Everyone was so happy. The men were provided with pizza, wings and soda. I'm really looking forward to seeing this project's completion.

I'm adjusting well to my new role and looking forward to doing my absolute best.

I arrive at work 8:30am and leave at 4:00pm unless our meeting goes over. I do attend meetings outside the building as needed and speak to community members whenever they reach out. I make sure to be accountable and be present in the office.
