## **Snow Removal Operations this week**

**(Kahnawake – 8, Tsothohrhkó:wa/January 2018)**

The Public Works Unit of the Mohawk Council of Kahnawà:ke wishes to advise residents that special Snow Removal Operations will begin tomorrow morning (Tuesday, January 9) at 7 am.

Snow will be removed from all sidewalks and roadsides beginning on the Old Malone Highway and working through the rest of the village area, then to the outskirts of the community.

To assist in the smooth operation of the special snow removal, Public Works is asking residents to refrain from parking on the streets where operations are taking place. If vehicles are left on the street, snow will not be removed in that area.

For further information, please contact the Public Works Unit at 450-632-5825.
