MTQ to work on overhead signs

Kahnawake – 13, Tsothohrhkó:wa/January 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ) that work on the overhead signage will require partial lane closures on R-138 and R-132 tonight, from **7pm** until **5am**.

Crews will be working on the R-132 and R-138 ramps in both directions. As these are mobile works, some of the partial lane closures will be in place for short periods and will not impact traffic.

Please drive with caution, slow down when entering the mobile work zones, and respect the 'Move-Over Law' when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
