

COMMUNIQUÉ

Person tested COVID-19 positive – possible contacts at town rink (Old K103 location)

For immediate release

(Kahnawake – 13, Tsothohrhkó:wa/January 2021) The Kahnawà:ke COVID-19 Task Force would like to advise the community that an asymptomatic person tested COVID-19 positive today. This person identified that they were at the town rink with several community members on Sunday, January 10th from 4:30pm to 9pm.

The Local Public Health Team is unable to identify all potential contacts and therefore is asking any person who was at the town rink during those times to self-isolate until the end of the day on Sunday, January 24th.

If you have questions regarding self-isolation or would like to identify that you or others were present at the rink on Sunday, January 10th, please contact the KMHC Local Public Health team at 450-638-3930 extension 2213, so they can reach as many potential contacts as possible.

If you develop symptoms during this isolation period, please call the KMHC Testing Site to make an appointment for a COVID-19 test at 450-638-3930 extension 2275 or 2296.
