Registering a COVID-19 vaccine received outside of the province

For immediate release

(Kahnawake – 27, Tsothohrhkó:wa/January 2022) The Kahnawà:ke COVID-19 Task Force ('Task Force') wishes to provide Kahnawà:ke with some important information for those who have received a COVID-19 vaccine outside of the province of Quebec.

If you have received a COVID-19 vaccine outside of Quebec or Canada, you will have to register with Quebec, in order to upload proof of vaccination to your vaccine passport (VaxiCode App).

To register your vaccine information, you will be required to visit a Quebec Vaccination Centre outside of Kahnawà:ke.

Please follow these steps:

- Visit the Clic Sante website by [clicking here](#)
- Under "**Select a service**" click on "**Choose a Service**" and select "**COVID Vaccine – Troubleshooting**"
- At the bottom of the pop-up window to the right side of the screen, select "**Choose this Service**"
- Enter your postal code and click on "**Search**"
- A list of nearby Quebec Vaccination Centres will be displayed.
- Select a location and click on the "**Show More**" button and select "**vaccines received outside Quebec**"
- Click on the "**Book**"

Please note, this information is being provided as a service to community members. However, the Task Force and the Kateri Memorial Hospital Centre are unable to register COVID-19 vaccines, including those received outside of the province. For more information, [please click here](#).
