**(Kahnawake – 29, Tsothohrhkó:wa/January 2021)** The Kahnawà:ke Legislative Coordinating Commission wishes to inform the community that the Feedback Report for the draft regulations for the *Kahnawà:ke Cannabis Control Law* have been reviewed and analyzed by the Technical Drafting Team and are now available for viewing.

The Technical Drafting Committee is now in the process of finalizing the regulations. Once finalized, the regulations will be tabled for enactment.

The *Kahnawà:ke Cannabis Control Law* was enacted on December 10, 2018 as a means to protect the health and safety of the community, to protect the youth by restricting their access and exposure to cannabis and cannabis by-products, and to deter illicit and illegal activities in relation to cannabis on the Territory.
