PUBLIC SERVICE ANNOUNCEMENT

Snow removal operation this evening

(Kahnawake – 3, Enníska / February 2011) The Public Works Unit of the Mohawk Council of Kahnawà:ke (MCK) would like to inform residents that snow clearing operations will be carried out on Friday, February 4th, (late evening of Thursday), beginning at 1am.

The removal of snow banks and clearing of sidewalks will take place during this operation, which is planned throughout the night to ensure snow removal and clearing service for the community is not delayed.

Planned evening operations prevent delays that would normally occur from the presence of traffic and pedestrians during the day.

Residents are asked to park their vehicles in their driveways in order to make it easier to complete the work, which is expected to be completed by 8am.

The MCK apologizes in advance for any noise interruptions this may cause throughout this time.
