Deer Meat available to community members

(Kahnawake – 6, Enniska/February 2025)

The Mohawk Council of Kahnawà:ke (MCK) is pleased to share that, starting today, over 4,500 pounds of deer meat will be available to community members at no cost. There are various cuts available – ground, cubes, and steaks, which are vacuum sealed/frozen, at the following locations:

- The Kateri Food Basket (Open 9am-2pm)
- The Teepee on Route 207 (Open 9am-5pm)

The meat was allocated to the community following the deer cull that recently took place in several municipalities in our territory. The cull was part of a broader initiative to address the overpopulation of deer in the area.

Individuals are encouraged to visit these locations to receive their portion while supplies last. Please bring your own bag.
