PUBLIC SERVICE ANNOUNCEMENT

Mercier Bridge alternating lane closures for repair work

(Kahnawake – 8, Enniska/February 2023)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier & Champlain Bridges Inc. that maintenance work will require a right lane closure on the R-138 east & west ramps, R-132 east & west ramps (one ramp at a time) and on the span over the St. Lawrence Seaway, tonight (Wednesday, February 8), from **8pm until 4am**.

The lane closures are required to effect repairs to the lighting and electrical system.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
