Reminder – proposed Tobacco Law goes for approval to use CDMP tonight

For immediate release

(Kahnawake – 10, Enníska/February 2015) The Mohawk Council of Kahnawà:ke (MCK) wishes to remind Kahnawà'kehró:non that an important meeting for a proposed law to regulate the Kahnawà:ke tobacco industry is scheduled for tonight (February 10, 2015) at the Knights of Columbus Hall.

Participation is open to Kahnawà'kehró:non who appear on the *Kahnawà:ke Kanien'kehá:ka Registry*.

The purpose of this Community Consultation meeting is to gain approval to move the law forward through the Community Decision Making Process and to approve the urgency of the law in order to enact legislation within a shorter timeframe than the regular process.

The proposed law was formally submitted to the Kahnawà:ke Legislative Coordinating Commission (KLCC) last year by the Kahnawake Tobacco Association, who has been participating jointly with the MCK in a working group to create a Tobacco Law. Representatives from both organizations will make presentations at the beginning of tonight's meeting.

The meeting will be held from 6 to 8:30pm. Those planning to attend are urged to visit the KLCC website, www.kahnawakemakingdecisions.com, to view all of the relevant documents.
