PUBLIC SERVICE ANNOUNCEMENT

Kahnawà:ke-bound lanes re-opened on Mercier Bridge

(Kahnawà:ke – 22, Enníska/February 2015) The Mohawk Council of Kahnawà:ke (MCK) wishes to inform road users that the Ministère des Transports du Québec has reported that works on the Mercier Bridge have been completed ahead of schedule. Therefore, both Kahnawà:ke lanes will be reopened for traffic ahead of schedule. The exact time of the reopening cannot be confirmed; however it usually is within two hours of the announcement of the completed works.

The MCK reminds the public that works/closures on the Mercier Bridge are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.

Other lane closures might be necessary for similar work in the coming weeks.
