Freezing rain warning in effect

(Kahnawake – 22, Enníska/ February 2022)

The Public Safety Division of the Mohawk Council of Kahnawà:ke is advising community members to monitor weather conditions, as Environment Canada has issued a freezing rain warning for our region.

The freezing rain is expected to begin later this afternoon before changing to rain in the evening. Surfaces such as roads and sidewalks could become icy, slippery, and dangerous.

Additionally, with recent snow, warmer temperatures, and more rain on the way for Wednesday, Kahnawa'kehró:non are being reminded to make sure sump pumps are in good working condition.

Please monitor local media for updated weather forecasts.
