Visitation currently on hold - Outbreak at Kateri Memorial Hospital Centre

Kahnawake – Saturday, March 19, 2022

Ronwaia'tanentaktóhne, 19 shískare ne Enniskó:wa, 2022

The Kateri Memorial Hospital would like to advise the community on updates to the current outbreak announced Friday, March 18th.

In order to gain a better understanding of the current outbreak in inpatient, all visitation is on hold until further notice.

KMHC staff are currently contacting family members to advise them of this urgent closure. If you have not yet been reached, you will be shortly.

Only identified natural caregivers will be allowed entry to the units at this time. KMHC thanks you for your understanding.
