Rainfall Warning in effect

(Kahnawake – 6, Onerahtókha/April 2022)

The Public Safety Division of the Mohawk Council of Kahnawà:ke wishes to advise the community that Environment Canada has issued a Rainfall Warning for our area, beginning Thursday (April 7) through Friday.

Rainfall amounts of **20 to 30** millimeters are expected. Heavy rainfall can cause flash flooding and water pooling on roads and highways.

Localized flooding in low-lying areas is possible.

Homeowners are asked to verify that their home's sump pump is functioning properly and to take any other precautions deemed necessary.

Thank you for your attention in this matter.
