COVID-19 Survey Results released

For Immediate Release

(Kahnawake – 28, Onerahtókha/April 2020) The Kahnawà:ke Covid-19 Task Force wishes to announce the results of the one-month review survey conducted between April 14 and 19, 2020.

Three hundred forty-three (343) persons participated in the survey.

Some of the key results included:

- Over 94% claim to ALWAYS or OFTEN follow Task Force Directives/Suggestions
- Over 95% claim to wash their hands thoroughly and often
- Over 88% left their property for essential reasons, 42% for exercise and nearly 40% for work
- 79% have not shown any symptoms at all
- Less than 8% come into close contact (within 2 meters or 6 feet) of others Always or Often when off their property

Of the 25 people who were tested for COVID-19, less than 70% self-isolated.

[The survey results can be viewed on the KMHC COVID-19 site.](#)
