# **PUBLIC SERVICE ANNOUNCEMENT**

## **Overnight Lane Closures on Mercier Bridge and R-138 in Lasalle**

**(Kahnawake – 28 Onerahtókha/April 2022)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ) that maintenance work on the Mercier Bridge will require a partial left lane closure in both directions.

The partial lane closures will take place in the area between both superstructures tonight (Thursday) from **10pm until 5am** on Friday.

Additionally, the MTQ will be working on overhead signs on R-138 east in Lasalle. As a result, R-138 east between Airlie and Clement will be closed, from **11:30pm until 5am**. A detour via the Airlie Street exit will be in place.

Please drive with caution and slow down when entering the construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
