Former Recycling Depot to be demolished

(Kahnawake – 10, Onerahtohkó:wa/May) The Mohawk Council of Kahnawà:ke wishes to inform the community that the recently decommissioned Recycling Depot located behind the Labor Office will be demolished. Diabo Trucking will carry out the work beginning on the morning of Friday, May 12th.

As the older part of the building is mainly concrete, the work is expected to last through most of the weekend. All building materials will be removed as they are demolished, the concrete will be disposed of next week.

Once the demolition is complete the area will be filled with stone.

Please note, recycling drop-offs are no longer accepted.
