## Redbird Road area Water & Sewer Line replacement

**(Kahnawake – 13, Onerahtokó:wa/May 2016)** The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the community of the upcoming project to replace the water & sewer lines in the Redbird Road area (see map below) scheduled to start on Monday, May 16<sup>th</sup> and continue until the end of September 2016.

Residents in the area may be inconvenienced with temporary loss of water, dust and noise from trucks and equipment, detours and temporary road closures. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

Upon completion of the works the road will be resurfaced with new asphalt. All private properties that are affected by the work in this area (e.g. driveways, walkways, hedges and/or fences) will also be repaired or replaced prior to the completion of the project.

Please contact the Technical Services Office at 450-635-1016 if further information is required.
