Service Road beneath CPR Lift Bridge closed for works

(Kahnawake – 27, Onerahtohkó:wa/May 2019)

The Mohawk Council of Kahnawà:ke is informing the community that the Saint-Lawrence Seaway Corporation will close the service road adjacent to the CPR lift bridge from 8am to 3pm each day on Tuesday, May 28th and Wednesday, May 29th.

The closure is necessary to carry out maintenance work on the CPR Lift Bridge, which will require a crane. Due to safety concerns, the area directly beneath must be off limits to pedestrians and vehicles.

The MCK does not take part in the scheduling or cancellation of these works. Your understanding is appreciated.
