## **Route 207 Floristic Inventory May 31<sup>st</sup> to June 2<sup>nd</sup>**

**(Kahnawake – 30, Onerahtohkó:wa/May 2016)** The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transport du Québec that a Floristic Inventory will once again be conducted as part of the Route 207 rehabilitation project. Groupe SM is scheduled to carry out the work from Tuesday, May 31<sup>st</sup> to Thursday, June 2<sup>nd</sup>.

To complete the inventory, employees from Groupe SM will conduct a visual inspection of the Route 207 area in order to collect data on the spring floras which have special status (flore printanière à statut particulier).

The surveyors will walk along the roadside and take pictures of the wetlands, rivers and forests. There will be no obstruction to traffic. In case of rain, the field visit could be delayed.

A similar site visit was conducted in October of 2015.
