## Tsi Nahóten Karihwanákere No'nenk News Release

### **Mercier Bridge: One of two lanes closed Tonight (Friday)**

#### **For immediate release**

**(Kahnawake – 17, Ohiarí:ha/June 2011)** The Mohawk Council of Kahnawà:ke has been informed by the Ministère de Transport du Quebec (MTQ) that traffic is currently flowing with two Kahnawà:ke-bound lanes open. The Ministère had to close one lane earlier this morning to install a temporary plate on the slab.

However, please note that **tonight at 10pm until tomorrow (Saturday) at 9am, only one Kahnawà:ke-bound lane will be open** to perform urgent repair work on the slab.

Because of this work, there will be no traffic Montreal-bound traffic after midnight tonight as previously announced. However, on **Saturday, June 18th at 9am one lane will be open in each direction until Sunday, June 19th at 11:59pm.**

The MTQ is aware of the major impact this emergency closure has on the traffic and thanks you for your understanding of the situation.

The Mohawk Council of Kahnawà:ke will keep the community informed as developments occur.
