For Immediate Release

(Kahnawake – 17, Ohiarí:ha/June 2016) The Mohawk Council of Kahnawà:ke (MCK) wishes to advise the community that, in the court case of “Rice et al. v. Agence du revenu du Québec et al.”, the Judge has issued a call for potential jury members to be included in a **List for Jury Duty**.

Specifically, the Judge has indicated the intention that there be Mohawks included in the pool of potential jurors, as the case involves a Mohawk of Kahnawà:ke.

The MCK has been informed that prospective jurors are usually contacted by telephone.

This message is being issued as a matter of public interest. The MCK does not advocate one way or another on this type of matter.
