PUBLIC SERVICE ANNOUNCEMENT

Creekside Store Area Water & Sewer Line Replacement

(Kahnawake – 20, Ohiarí:ha/June 2018)

The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the Community of the upcoming project to replace the water & sewer lines in the Creekside Store road area. The work is scheduled to start on Monday, June 25, and continue until the end of September 2018.

Residents in the area may be inconvenienced with temporary loss of water, dust and noise from trucks and equipment, detours and temporary road closures. Proper road signalization will be installed to warn of the construction limits. The community will also be notified when a road closure is scheduled.

Upon completion of the works, the road will be resurfaced with new asphalt. All private properties that are affected by the work in this area (e.g. driveways, walkways, hedges and/or fences) will be repaired or replaced prior to the completion of the project.

Your patience throughout this project is greatly appreciated. Please contact the Technical Services Office at **450-635-1016** if further information is required.
