Mercier Bridge ramp closures tonight

(Kahnawake – 23, Ohiarí:ha/June 2016) The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) of ramp closures on the Mercier Bridge scheduled for this evening, Thursday, June 23rd from 9pm until 5am.

The Kahnawà:ke-bound Route 132 down ramp (towards La Prairie) will be completely closed. Traffic will be detoured to the Route 138 down ramp (towards Chateauguay), which will also be reduced to one lane.

Detours will be clearly marked.

Note that prep work for the JCCBI Work Blitz on the bridge may require partial lane closures on the span, and in the area around the structure. Please drive with caution and obey all posted signs.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.
