Overnight and Weekend Closures for the Mercier Bridge

(Kahnawake – 25, Ohiarí:ha/June 2020)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec (MTQ), that works and lane closures are scheduled on and around the Mercier Bridge, tonight and this weekend.

Tonight (Thursday, June 25th) - Mobile lane closures will take place between 9pm and 5am on R-138, R-132 and the Montreal-bound Mercier Bridge for the installation of construction signage.

Friday, 11pm to Monday 5am - Both Kahnawà:ke-bound lanes will be closed. All traffic will be diverted to the Montreal-bound span, with one lane available in each direction (counter-flow traffic). Please note that the Airlie access ramp to R-138 west/Kahnawà:ke-bound span will also be closed.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
