Diabo Road to be paved

(Kahnawake – 26, Ohiarí:ha/June 2017) The Capital Unit of the Mohawk Council of Kahnawà:ke will be starting construction on Diabo Road this Wednesday, June 28th, weather permitting. The project consists of installing some gravel road base and asphalt installation.

There is also an area of the road that needs to be realigned so that it will be correctly positioned in the public roadway corridor. To do this, an area will need to be cleared of trees and vegetation. The local Kahnawà:ke company Pro Cut Tree Services has been contracted to carry out these works.

Your patience throughout this project is greatly appreciated and we apologize for the temporary inconvenience. If further information is required, please contact the Technical Services Office at 635-1016.
