Temporary Detour on Depot Road, until Mid-December

(Kahnawake – 31, Ohiarihkó:wa/July 2017) The Mohawk Council of Kahnawà:ke has been informed by the Jacques Cartier and Champlain Bridges Incorporated that a temporary detour road is scheduled to be operational on Tuesday August 1 at 5am (see map below).

The temporary detour road is required so that rehabilitation work on the piers on the Federal Section of the Mercier Bridge can begin, and to ensure worker safety.

Work on this section of the piers is expected to last until mid-December 2017.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression and that it does not take part in the scheduling or cancellation of such works.
