Public Health Update on FB Live this afternoon

For immediate release

(Kahnawake – 11, Seskéha/August 2021) The Kateri Memorial Hospital Centre (KMHC) Public Health Department and the Public Safety Commission wish to inform the community that an update on Public Health and Safety will air on Facebook Live this afternoon at **2:05pm** at www.facebook.com/Kahnawake911, and simulcast on K1037 Radio.

Commissioner of Public Safety, Lloyd Phillips and, Executive Director of the KMHC, Lisa Westaway, will provide an update of the current status in the community, along with some information regarding Quebec's recently announced Vaccine Passport.

It is important to note that, even with the large percentage of the community as well as Quebec being vaccinated and returning to green zones, we are still in a pandemic. **We need to remain vigilant and continue to follow all health and safety measures in place to protect our community.**
