Overnight Ramp Closure

(Kahnawake – 20, Seskéha/August 2021)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated that inspection and maintenance work will require the closure of the R-132 west up-ramp towards Montreal, **Saturday 9pm until Sunday at 12pm.**

A detour via R-132 west service road will be in place, see map below.

Additionally, access from the Montreal approaches to the Kahnawà:ke-bound side of the bridge will be limited, due to the closure of the R-138 west ramp from A-20 west, as well as a partial lane closure on the R-138 west -up-ramp from A-20 east, from **Friday 11pm until Monday 5am.**

Please drive with caution and slow down when entering the work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
