Waterline repairs on Old Malone Highway and Clay Mountains

(Kahnawake – 28, Seskéha/August 2020)

The Public Works Unit of the Mohawk Council of Kahnawà:ke is informing the community that repairs to the waterline will take place on the Old Malone Highway (near the CP tunnel) and on Clay Mountains (near the Whyte Crow) on Saturday, August 29th at 7am, weather permitting.

Possible road closures may be in effect and neighboring homes may experience low water pressure, and in some cases, no water for short periods of time.

These works will take place on Sunday, August 30th if the weather conditions are unfavorable.
