## **Montreal-bound Mercier Bridge lane closure tonight**

**(Kahnawake – 3, Seskehó:wa/September 2019)**

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that one lane will be closed to traffic in the Montreal direction on the Mercier Bridge tonight from **9pm until 5am** for inspections.

These works have nothing to do with attempted drilling that took place last evening, which the MCK was not made aware. Tonight's works will take place on the bridge itself.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
