Delays in Kahnawake school bus services expected next week

(Kahnawake – 3, Seskehkó:wa/September 2021)

The School Bus Transportation Department of the Mohawk Council of Kahnawà:ke wishes to inform the community that it is expecting delays in school bus service next week, due to the increased demand for students who require service. Please be assured that all students requiring bus service will be transported but can expect delays of up to 30 minutes.

Any families/parents who can drop-off and pick-up their children from school are being asked to do so while the logistics are adapted to the new demand.

For further information please contact Daily Transportation Manager Spencer McComber at **450-632-5825**.

Your patience and understanding is very much appreciated.
