Relations / Communications
Unit*

Mercier Bridge lane closures tonight

(Kahnawake – 15, Seskehkó:wa/September 2016) The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated that the Mercier Bridge will be reduced to one lane in each direction this evening (Thursday).

Motorists can expect some delays on the Montreal bound and Kahnawake bound span as crews carry out some inspection work between 8pm and 5am. These works may require a full or partial lane closure, but one lane will always be available in each direction.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints or work progression, and that it does not take part in the scheduling or cancellation of such works.
