COMMUNIQUÉ

Advisory Regarding Travel to Tioweró:ton

For immediate release

(Kahnawake – 1, Kenténha/October 2020)

The Kahnawà:ke COVID-19 Task Force wishes to inform Kahnawa'kehró:non that, while Quebec has imposed travel restrictions between Color Zones, Tioweró:ton is considered an extension of Kahnawà:ke and there are **no restrictions in place at this time** to travel to Tioweró:ton.

However, this is subject to change at any time should the situation worsen. Should that happen we will inform and advise the community immediately.

The Task Force still highly recommends that Kahnawa'kehró:non stay local and avoid unnecessary travel, if possible.
