Controlled Blasting at Multi- Purpose Building Site EXTENDED

For immediate release

(Kahnawake – 2, Kenténha/October 2024) The Public Safety Division of the Mohawk Council of Kahnawà:ke wishes to inform the community that the controlled blasting works at the Kahnawà:ke Multi-Purpose Building worksite will be extended until Friday, October 4th.

Blasting was originally scheduled for Friday, September 27th, and Monday, September 30th.

The work is being performed by Enterprises QMD Inc. and The National, following all safety measures. A rock blast cover will be used to suppress debris and noise, a warning sound will be issued prior to blasting, and seismographs will be in place to monitor vibrations.

Additionally, fencing has been installed around the site. Individuals are asked to avoid the work zone.

Community members can obtain more information by contacting Building Committee member Trina C. Diabo at 450-632-7500 or email TrinaC.Diabo@mck.ca.
