Kiosk-style Community Engagement forums scheduled

For immediate release

(Kahnawake – 12, Kenténha/October 2021) The Mohawk Council of Kahnawà:ke (MCK) wishes to inform Kahnawà'kehró:non that the Ratitsénhaienhs will be available to meet with community members in a kiosk-style format.

Two scheduled dates & times are available, to accommodate the community as best as possible:

- **Friday, October 15th from 9am to 1pm**
- **Wednesday, October 27th from 2pm to 6pm**

Both Community Engagement sessions will be located at the green space next to the Golden Age Club. Please note that, while Friday's session is officially scheduled to end at 1pm, some Ratitsénhaienhs will be available to meet with community members afterward.

Please ensure COVID-19 protocols are followed: distance, masking and hand hygiene. The kiosks will follow a walkthrough format where community members can share and discuss their concerns with individual Ratitsénhaienhs, while ensuring precautionary distancing for COVID-19 purposes. These events will be an alternative to the usual Community Meeting format, and the first official face-to-face MCK engagement with community members held since pre-COVID-19 in early 2020.

Please be advised that these events, like Community Meetings, are open only to Kahnawà'kehró:non.

Thank you for your attention.
