# **PUBLIC SERVICE ANNOUNCEMENT**

## **KEPO Installing Water Depth Tracking Stations on Town Culverts and Bridges**

**(Kahnawake – 13, Kenténha/October 2023)** The Kahnawà:ke Environment Protection Office will be installing datalogging stations in five (5) culverts and bridges in town creeks and the Recreation Bay. Work will begin today, Friday, October 13<sup>th</sup>, and continue until the end of the month.

The dataloggers will be housed in 2-inch diameter black pipes and will not block water flow. The loggers will track long-term depth, flow, and temperature.

The data will inform designs for creek restoration projects and provide Kahnawà:ke with data on temperature and depth in the Recreation Bay. Please do not disturb the dataloggers.

Please call KEPO at 450-635-0600 or email [environmentprotection@mck.ca](mailto:environmentprotection@mck.ca) for questions, comments, or concerns.
