Notice – Unexpected School Bus repairs causing delays

(Kahnawake – 18, Kenténha/October 2022)

The Daily Transportation Department of the Mohawk Council of Kahnawà:ke wishes to advise parents and students that certain bus routes are experiencing delays due to unscheduled maintenance issues that have arisen since yesterday.

Four buses have been taken out of service and are currently undergoing repairs. Unfortunately, there are no buses available to take their places, as bus companies have none available at this time.

Internal bus routes are not affected, but buses to outside schools are being delayed. The Daily Transportation Department is working diligently to re-route buses in order to meet the needs of the students and is asking for patience as they work through this unexpected situation.

For further information, please contact Daily Transportation at **450-632-5825**.
