## **Fieldwork on Hydro-Line 2**

**(Kahnawake – 19, Kentenhkó:wa/November 2019)**

The Kahnawà:ke Environment Protection Office (KEPO) wishes to inform the community that a contractor hired by Hydro Quebec will be undertaking fieldwork along the Hydro Line 2 right-of-way starting on November 21<sup>st</sup>, and lasting up to two weeks, weather dependent.

The contractor will be collecting soil samples along the line to assess soil quality adjacent to the hydro towers. Samples will be collected using an ATV and a jackhammer drill. A representative from KEPO will be present at all times during this work.

Soils that have been contaminated by the activities of Hydro Quebec will be removed in conjunction with the hydro line.

For more information, please contact the Kahnawà:ke Environment Protection Office at **450-635-0600**.
