## Notice – temporary road closure behind old Lafleur Market

**(Kahnawake – 19, Kentenhkó:wa/November 2019)**

The Public Safety Unit wishes to advise the community that a portion of the road immediately behind the old Lafleur Market (see map) will be closed from Wednesday, November 20 until Friday, November 22, 2019.

A private company is doing construction on the former market building and, to conduct the work safely and to ensure public safety, it was decided closure of the lane closest to the building was the best option.

Residents in the area will have access to their homes throughout the closure. However, there will be no through traffic.
