The MCK Housing & Finance Departments will assess the results and make recommendations on what products and services to offer, with the goal of being able to provide these as early as the next fiscal year (April 2019-March 2020).

The goal is to get three hundred (300) survey respondents to properly gauge Housing needs. Thus, the survey may be extended, and in-person surveys may be added in December.

For further information on Housing issues, please call Davis Montour 450-638-0500 or email HousingDept@mck.ca.
