KEPO Survey seeks community input on the North Creek restoration

(Kahnawake – 27, Kentenhkó:wa/November 2023)

The Kahnawà:ke Environment Protection Office (KEPO) is conducting a survey to gather community input on the future of the North Creek (Whákeras) to help guide restoration planning.

The survey begins today (Monday, November 27) and will conclude on Wednesday, December 13 at 11:59pm.

The survey should take approximately five minutes and includes space for comments or suggestions. It is completely anonymous.

Community feedback and guidance on developing this plan are essential for effective restoration. KEPO will also be hosting a community workshop at the Mohawk Legion Branch 219 on Wednesday, December 13, at 5pm to review potential restoration works, including those that would take place in the summer of 2024.

For further information, please contact KEPO at **450-635-0600** or email environmentprotection@mck.ca.
