The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Jacques Cartier and Champlain Bridges Incorporated (JCCBI) that drilling/inspection work will require the closure of the R-132 west up-ramp towards Montreal tonight from **7pm** until **5am** Wednesday.

This closure will also be repeated on Wednesday night, from **7pm** until **5am**.

A detour (see map) will be in place for those heading towards Montreal.

Additionally, partial lane closures are planned for the R-132 east-down ramp (towards La Prairie) **tonight through Thursday** from **7pm** until **5am** for drilling/ inspection work.

REMINDER: Hydro-Quebec Line 2 Dismantlement Project, expect temporary lane closures for periods up to ten (10) minutes on Route 207 at Towerline Rd and Route 138 near Playground tonight from **10pm** until **5am**.

Please drive with caution and slow down when entering the mobile work zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
