Unit*

## Make sure your sump-pumps are working

**(Kahnawake – 2, Tsothóhrha/December 2020)**

The Public Safety Division of the Mohawk Council of Kahnawà:ke wishes to remind the community that with the recent heavy rain and more precipitation in the forecast, homeowners are being asked to verify that their home's sump-pump is functioning properly to prevent water infiltration and possible foundation damage.

Please note, local organizations/departments **DO NOT** offer pumping services in case of a flood.

It is the homeowner's responsibility to be prepared.

Thank you for your attention in this matter.
