PUBLIC SERVICE ANNOUNCEMENT

Mercier Bridge overnight lane closures

(Kahnawake – 6 Tsothóhrha/December 2023)

The Mohawk Council of Kahnawà:ke (MCK) has been informed by the Ministère des Transports du Québec that one (1) lane will be available in each direction in the area between the two superstructures tonight (Wednesday) from **10pm until 5am**.

The left-hand lanes in both directions will be partially closed for maintenance work as crews install concrete barriers to block the “crossover” between the spans, which is used for traffic deviation during major closures.

Please drive with caution, slow down when entering construction zones, and respect the Move-Over Law when you see flashing lights.

The MCK reminds the public that these works are subject to change due to weather conditions, operational constraints, or work progression and that it does not take part in the scheduling or cancellation of such works.
