Water Network Study underway

(Kahnawake –18, Tsothóhrha/December 2020)

The Capital Unit of the Mohawk Council of Kahnawà:ke would like to inform the community that a team from the company SIMO will be working on the water network as part of a study currently underway.

The work is scheduled for Monday, December 21st, and Tuesday, December 22nd, weather permitting.

SIMO will be inspecting parts of the centralized network. They will be accompanied by an MCK employee. All COVID-19 safety guidelines will be followed.

Your patience and cooperation throughout this project are greatly appreciated. For further information, contact the Technical Services Office at **450-635-1016**.
