REMINDER - Kahnawake COVID-19 Testing Site to be open for three days this week

Issued at 12pm

(Kahnawake – 26, Tsothóhrha/December 2021) The Public Health Team and the Public Safety Commission wish to remind the community that the COVID-19 Testing Site located at the Kateri Memorial Hospital Centre (KMHC) will be open for three (3) days this week.

KMHC is thankful for the staff who are willing to work during the holiday period in order to meet the needs of the community. The opening dates are as follows:

- **Tuesday, December 28**
- **Wednesday, December 29**
- **Thursday, December 30**

Testing will be done on a first come - first served basis, but appointments are required. Telephone lines are open for appointments from 8am to 4pm on **Tuesday at 450-638-3930 extension 2275 or 2296.**

Because there are limited resources available at this time, we are asking that only persons who are exhibiting symptoms or who have tested positive on a rapid test come for testing.

Please refer to the isolation and testing requirements on www.Kahnawake911.com for further information.

Thanks for your attention in this important matter. We truly appreciate your cooperation and patience during this challenging time.
